WELCOME

Thank you for registering to participate in the Thanks for signing up to join us at the South East Queensland Trail Running Series presented by The Trail Co. We can't wait to share the beautiful trails of the Gold Coast, Sunshine Coast and Brisbane with you again in Season 12.

We would like to acknowledge the traditional custodians of the lands upon which each of our events take place and pay our respects to their Elders past and present. We also thank the current owners, land managers and local residents for allowing us to visit each year. Please remember that we are guests of the land areas on which the events are held and we ask particularly for your responsible actions regarding parking, use of facilities and rubbish removal from the event area.

Please make sure that you thoroughly read through the following, even if you have participated in the SEQ Trail Series before, as it contains all the information you'll need to ensure the day runs smoothly.

See you all out there soon!

Tim, Laura and The Trail Co. team

EVENT LOCATION AND PARKING

Parking will be in the field on **Spillway Rd**; **marshals will be present to assist you – please ensure that you only park where instructed to do so.**

Do not drive past Spillway Rd, up towards the event precinct as the public carparks must be left free for general visitors to use. **Please allow plenty of time to park, walk up to the event precinct and take care of your pre-run business.**

As parking is very limited, **please make every possible effort to carpool.** If you don't know anyone heading there, our **Facebook group** is a good place to find a carpool buddy and possibly a new running friend in the process.

This location is great for spectators. Bring a chair or picnic blanket, as well as pop-up shade if you have it, and take the opportunity to make the most of your surrounds. Enjoy a walk along the edge of the water, or pop up to the View Cafe which will be open from 8am.

PARTICIPANT SAFETY

We have taken considerable care in event planning to ensure that the events are safe and enjoyable. There are a few key points that you need to be aware of:

- The Hinze Dam event is run mostly off road, with a short section of on-road running in the long course event. Please ensure that you drive safely when entering and leaving the event precinct.
- Runners must stick to the footpath or verge along all roads and stop and look both ways before crossing or overtaking another runner. **Runners must give way to cars in all circumstances.**
- Please be patient if you catch up to the runners in front and look for a safe place to step aside if a runner is trying to pass you. We're all just out to have fun so let's play nice.
- There will be First Aid located in the event precinct if you feel unwell or sustain an injury at any time.
- All runners under 12 years of age must be directly supervised for the duration of the run – that is, a parent or guardian must run with the child for the entire distance, and they too must be entered in the same event.
- If, after starting the event, you withdraw for any reason, notify us immediately so that we don't launch a search for you.
- Do not run under another runner's bib in any circumstances. This is especially irresponsible for trail running where any search efforts would be greatly hindered if you were to become lost or ill while alone in the bush.

MANDATORY REQUIREMENT:

Both short and long course participants must carry a bottle or hydration pack capable of holding a minimum of 500mL fluids. Event organisers reserve the right to prevent your participation if you do not meet this requirement.

ALL SEQ EVENTS ARE CUP-FREE

There will be a medic and some emergency water at 7.6km (short) / 13.8km (long) if you need to refill, however all runners must start the race with at least 500ml of water as this event can get very warm.

There will be a water refill station available at the start/finish area for filling up your own bottles prior to the events... FIXX nutrition will also be available post-race for runners at the event precinct.

*** Some events in the Series will be run on more challenging courses and in warmer weather, and these events will have different rules regarding carrying supplies. Please ensure you read this section in the Participant Information Guide carefully FOR EACH INDIVIDUAL EVENT ***

COURSE MARKING

The South East Queensland Trail Running Series presented by The Trail Co. will be quite different to a road running event in that you will be required to keep an eye out for course markings as follows:

- The course will be marked with yellow and pink reflective tape, pegged to trees and bushes.
- Arrows and crosses will complement the flagging tape at junctions. Arrows will match the sponsors colours on your bib to help differentiate between Long and Short course routes.
- Track markings on sections where there are no route options or intersections may be spread out and irregular.
- Unless otherwise marked or directed, participants should follow the most major track at all intersections. If there is no marking at a minor track junction then continue along the major track.
- Runners should keep to the left-most-side of all trails. The etiquette is the same as that when driving on the road.

PARTICIPANT EXPECTATIONS

We expect that participants in the South East Queensland Trail Running Series presented by The Trail Co. will be mindful of the fact that we are guests of the land area on which the events are run, and we particularly note the following:

- Participants found littering or vandalising any section of the course will be disqualified from the event.
- Participants are to remain on the marked course at all times. Do not trespass on neighbouring properties or bushland.
- Participants and spectators must drive to and from the event safely and be considerate of where they park. Do not park or drive on private premises.
- Please be considerate of residents in surrounding areas and keep noise at a minimum when arriving at and leaving the event.
- Do not wear headphones during the event. With hundreds of runners converging on the trail network, we need you to be able to hear each other, instructions from marshals and vehicles, bikes or members of the public.
- All tracks remain open to the public so please be considerate of all other park users that you encounter.
- Dogs are not permitted to run in any of the SEQ Trail Series events. All domestic animals are banned from the Hinze Dam area, due to the native wildlife in the area, and must be left at home.

While there is no charity BBQ at this event, there is an on-site café overlooking the race precinct which will be open from 8am to cater for hungry runners.

BIBS & MERCHANDISE

Event day and series bibs will be available for collection at the event precinct from 5:20am – 6:10am. **Please allow extra time to park and walk up to the new event precinct.**

Bibs must be worn on your front and be visible to get a time.

Season 12 singlets which have been pre-ordered for 'Event Pickup' can be collected from The Trail Co. tent.

DON'T FORGET YOUR PERSONALISED BIB!

In an effort to reduce our environmental impact, we try to re-use as many bibs as possible. If you were issued with a personalised bib, please keep it safe and bring it back to each event you attend.

RETURN YOUR SINGLE EVENT BIB

If your bib is not personalised, you can return it to race HQ after the event so that we can re-use it. You will need to collect a new one at each event you attend.

We'll save well over 3000 bibs from landfill this way!

TIMING & PHOTOS

The event will be timed and official results will be published at www.seqtrailrunningseries.com.au as soon as possible on the Sunday afternoon.

Photos from the event will also be made available and links will be on the results page of the website, and via your personal race result, when they are ready for viewing and purchase.

EVENT PRECINCT

Toilets and refreshments will be available in the event precinct. Participants are encouraged to use these toilets before the event, as there will be **no toilets on the course**. Please allow extra time to park and walk to the new event precinct, collect your bibs and use the facilities.

Make sure to hang around after you finish to help us cheer. You can browse the goodies at The Trail Co. tent and we'll have some more great random prizes to give away during presentations.

Giddy Citizen are also attending with locally made refreshing low-sugar, gut-boosting beverages

**GIDDY
