

SEQ TRAIL RUNNING SERIES

CONDITIONS OF ENTRY

There are no particular entry requirements in order to participate in the South East QLD Trail Running Series, aside from meeting the following age requirements:

LONG COURSE - 15+ years of age on the day of the event
SHORT COURSE - 10+ years of age on the day of the event **

** Note that ALL runners under 12 years of age on the day of the event **MUST BE DIRECTLY SUPERVISED** for the duration of the run - that is, a parent or guardian must run with the child for the entire distance, and they too must be entered in the event.

It is your responsibility to ensure that you are fit enough to complete the event and that you do not have any illness that will hinder your ability to complete the event. It is your responsibility to monitor your health and condition during the event and to withdraw if you are no longer fit enough to continue safely.

At the time of registration, you will be required to read and agree to a Participant Waiver - please ensure you read this waiver carefully prior to agreeing to its terms.

INSURANCE

The organisers of the Event, Those Guys Events, have public liability insurance cover. This does not include personal accident insurance for competitors. We recommend that you arrange your own personal accident insurance and ambulance cover before participating in the Event to cover any unforeseen personal costs you may incur due to ambulance trips, medical expenses or time off work due to injuries sustained whilst participating in the Event.

REFUND POLICY

Refunds will not be available unless an event is cancelled. In the event that the Event course is, in the opinion of the event organisers, unsafe (e.g heavy rain, high winds, bushfires, "acts of god" etc), or at the direction of any other relevant authority, organisers may be required to cancel the event. If an event is cancelled, you will be offered a transfer to another event or a refund for any goods and services not yet received, less a \$5 processing fee.

ENTRY TRANSFER POLICY

Entry transfers may be accepted up until **12 midnight AEST on the Wednesday prior to each event**. Transfers must be done via [the official web form](#) and will only be accepted for:

- **An existing participant transferring to a later event in the 2021 Series** only. Note: you cannot transfer to an event after it is sold out.
- **An existing participant transferring to a different distance at the same event** in which you are currently registered. If you're moving from the short course to the long course, you'll be charged the additional entry amount, which will need to be paid promptly to finalise your entry. If transferring from Long to Short, there is no credit for the lesser amount.
- **A new participant replacing an existing participant in the same event** only. Once your form is processed, you'll be provided with an entry code which will allow the new runner to enter online as normal, while only paying a \$10 admin fee. It is your responsibility to pass this code onto the new runner and to organise any payments between yourselves. Beyond the aforementioned actions, Those Guys Events cannot be held responsible for the smooth and secure completion of these transactions.
